

Volleyball Scoring

Line up Sheet – 1 per match

- List of players & uniform numbers / cross out players not present
- Coach(s) sign
- Photocopy master with all team members and numbers, plus coach(s) signatures
- Before each game, write in player numbers in order as they will appear on the court at the start of the game
- Circle first server / mark C for Floor Captain

Score sheet – 1 per game

Before Game

- Document – team names on correct side/ game number/ have Ref sign
- Home team official book - Ref will use score sheet or lineup sheet to check lineup
- Mark team for first service
- In PLAYERS NUMBERS column write service order (uniform number), mark Floor Captain with C

For each serve

- For (before)each serve make circle
- After play watch ref for result – they will indicate who will receive point
- If serving team is getting point :
 - o fill in circle with point number scored
 - o and mark running score with circle.
- If non-serving team is getting point:
 - o fill circle with **R** (for rotate)
 - o place point number without circle under non-serving teams score
 - o mark running score with a slash
- Change color at end of 1 full rotation by both teams – ie., Blue / red / blue
- **Check often** with other team's book and flip scorer / scoreboard – question differences ASAP, involve ref if needed!

Substitutions / Timeouts

- Time outs – record in Time Outs box under team that takes time out, place score – 2 per team per game
- Substitutions – place in score before next service circle
 - o For serving team – write **S** in/out – ie. S 7/15
 - o For receiving team - **Sx** in/out – ie. Sx 13/2
 - o Cross out player number – write in new player number
 - o Player must return to same spot in service order!!
 - o Cross out running substitution number – max per game -12

Notes

- Younger teams (5th&6th) – 5 serve in a row max per server – let ref know, serving team rotates
- Point Game – let ref know
- Circle final score of game / note in boxes
3 minutes between games
- Scoring Exceptions – Ref mind change - **M** / corrections – cross out - RARE
- **Refs are helpful – OK to ask them questions, they will work with you**
