

## ***CYO Board of Directors Volunteer Opportunity***

St. Rose CYO  
2 Bayview Avenue  
Massapequa, NY 11758  
[www.strosecyo.org](http://www.strosecyo.org)

**Dear CYO Community Members,**

We are excited to announce that the CYO Board of Directors is seeking passionate, dedicated volunteers to help us make a meaningful impact on our organization. As a Board member, you will play a vital role in shaping the future of our community by providing strategic guidance, overseeing financial management, and advocating for our mission. To ensure candidates have a strong understanding of our program and its impact, we ask any potential candidates to have children currently participating in our program or have had children who have participated in the past. This experience helps bring a valuable perspective to the decisions we make for our athletes and families.

We are looking for individuals with a diverse range of skills and experiences:

- **Strategic planning and governance for the entire program**
- **Financial management oversight**
- **Sports management and oversight of all sports programs we offer**
- **Interfacing with the Pastor and Rectory staff**
- **Community engagement and fundraising**
- **Legal and compliance oversight**

To express your interest in a more significant role within the organization, please submit a letter to [opportunities@strosecyo.org](mailto:opportunities@strosecyo.org) by December 15th. The board will promptly review all submissions and follow up with the next steps. Thank you for your time and consideration. We look forward to hearing from you.

Sincerely,

The CYO Board of Directors
